NOW is Committed to Organic & Non-GMO Products

As a leading manufacturer of dietary supplements and natural and organic foods, NOW® has been committed to providing health products of the highest quality for more than four decades. Since opening our doors in 1968 we've maintained the firm belief that natural products are better for our health and well-being, which is why we've always sought to use organic and non-GMO

ingredients in our products. Currently our entire line of branded foods – Ellyndale Foods™, Real Food®, Living Now®, Real Tea®, and BetterStevia® – are being produced with non-GMO ingredients, and we're committed to increasing the number of *Non-GMO Project Verified* products we offer. You can learn more about NOW's commitment to non-GMO products by visiting nowfoods.com.

How Do You Like Us NOW?

Introducing the new NOW supplement label, the perfect union of NOW's trademark orange with a contemporary, natural design. Color-coded design elements and unique imagery will identify each product's category, and we'll continue to call out the product's primary structure/function claim on the front panel. It's the same quality product on the inside that you love, with a new and improved look on the outside!

Featured New Products

Aloe Vera 10,000

NEW!

Aloe Vera offers a variety of nutrients, including vitamins, minerals, enzymes and amino acids. Aloe Vera's constituent mucopolysaccharides, also known as glycosaminoglycans (GAGs), are thought to be its active component. Scientific studies have indicated that Aloe can help to support the body's own healing processes.*

With Aloe Vera 10,000 & Probiotics, a 10-Strain Probiotic Blend (5 Billion) has been included to complement Aloe's role in the support of a healthy digestive system.* NOW® Aloe 10,000 with Probiotics is specifically formulated for the maintenance of an already-healthy digestive tract and aids in supporting immunity.*

Aloe Vera 10,000 & Soothing Herbs includes traditional herbs (Marshmallow, Slippery Elm and Ginger) to complement Aloe's soothing digestive properties.* NOW® Aloe 10,000 with Soothing Herbs is specifically formulated to support normal digestive function and provide soothing relief for occasional stomach upset.*

- Supports Digestive Health*
- 10,000 mg Aloe Vera Equivalency **#3029 / 60 Veg Caps / pg. 10**
- 200:1 Aloe Concentrate **#3025 / 90 Veg Caps / pg. 10**

Sports Energy Extreme

NEW!

NOW® Sports Energy Extreme is formulated to supply the nutrients you need to promote sustained energy production and mental alertness.* With a full complement of B vitamins and other cofactors such as chromium, magnesium malate and carnitine, NOW® Sports Energy Extreme delivers what cells need most to drive energy production.* This product also has tyrosine and iodine to support optimal thyroid function, plus a blend of herbal adaptogens to help your body cope with intense activity.* Contains approximately 120 mg of naturally sourced caffeine (Natural Caffeine Powder, Green Tea, Guarana and Yerba Mate) to help you stay alert and support thermogenesis.* NOW® Sports Energy Extreme can help you reenergize and get back to being active again.*

- Enhanced Energy Formula*
- Promotes Alertness*

#3352 / 90 Caps / pg. 43

Featured New Products

NEW!

Ellyndale™ Coconut Infusions™

Non-Dairy Butter Flavor

Perfect for adding a little zest to your dishes and snacks or as a delightful spread, Ellyndale Organics™ Non-Dairy Butter Flavor Infused Coconut Oil has a pleasant, robust, buttery taste that's perfect on popcorn or as a spread. Plus it gives an extra boost of flavor when baking or frying chicken, fish, vegetables and more. Use Ellyndale Organics™ Butter Infused Coconut Oil to cook your favorite dish and drizzle a little oil on top when done for the perfect combination of coconut and creamy butter flavor.

- Flavor-Infused Organic Virgin Coconut Oil
- Ideal as a Spread
- Adds an Extra Flavor Boost
- Perfect for Popcorn
- Great for Stir-Frying

#E0513 / 12 oz. / pg. 49

Garlic

Perfect for adding a little zest to your dishes and snacks or as a delightful spread, our Garlic Infused Coconut Oil has a striking, savory, garlic flavor that's perfect on popcorn or as a spread. It's also a surprising extra boost of flavor for baking, frying, and sautéing your favorite meats, fish and vegetables. Drizzle a little oil on top when done for the perfect combination of coconut and garlic that will make you say wow!

- Flavor-Infused Organic Virgin Coconut Oil
- Ideal as a Spread
- Savory Garlic Flavor
- Makes a Great Drizzle
- Great for Stir-Frying

#E0514 / 12 oz. / pg. 49

NEW!

Chest Rub Relief

Do you sometimes experience difficulty breathing during the changing of the seasons? Breathe a little easier this year, naturally, with new NOW® Solutions Chest Rub Relief. This invigorating formula combines soothing natural oils such as Coconut, Sunflower, and Tea Tree with refreshing menthol and camphor aroma for breathing comfort and well-being.

NOW® Solutions Chest Rub Relief is suitable for any environment and can help you breathe deeply. The soothing and warming properties of this product can help keep air passages open and clear, making breathing what it should be – comfortable and effortless.

- Made with Natural Oils
- With Menthol
- Soothing & Warming
- For Breathing Comfort & Well-Being

#0053

GABA 750 mg

GABA (gamma aminobutyric acid) is often referred to as the "brain's natural calming agent." This non-essential amino acid, found mainly in the brain and eyes, is considered an inhibitory neurotransmitter. This means it helps regulate brain and nerve cell activity by inhibiting the number of neurons firing in the brain. By supporting healthy neurotransmitter activity, GABA may help to promote relaxation and ease nervous tension. Our 750 mg capsules include Vitamin B-6 for additional mood support.*

Serving Size 1 Capsule
Vitamin B-6 (from Pyridoxine Hydrochloride) 2 mg
GABA (Gamma Aminobutyric Acid) 750 mg

#0185

Branched Chain Amino Acids

NOW® Branched Chain Amino Acids (BCAAs) are three essential amino acids that are abundant in muscle tissue. The branched-chain amino acids Leucine, Isoleucine and Valine are three of the eight essential amino acids that the human body must receive in food. These amino acids cannot be synthesized in the liver.

Serving Size 4 Capsules
L-Leucine (Free-Form) 1.6 g (1,600 mg)
L-Isoleucine (Free-Form) 800 mg
L-Valine (Free-Form) 800 mg

#0089

NAC 1000 mg

N-Acetyl Cysteine (NAC) is a stable form of the non-essential amino acid L-Cysteine. It is a sulfur-containing amino acid that acts as a stabilizer for the formation of protein structures, and promotes the formation of glutathione. Glutathione is a powerful free radical scavenging compound that also helps to maintain normal, balanced immune system function. In addition, NAC can help to support healthy brain and neuronal tissues.*

As the building blocks of protein, amino acids are vital for health. Next to water, amino acids in the form of proteins make up the greatest portion of our body weight. They comprise tendons, muscles and ligaments; organs and glands; hair and nails; important bodily fluids, and are a necessary part of every cell in the body.

healthy helping

Good digestion depends on a healthy helping of enzymes and probiotics, yet the processed foods we eat today are typically devoid of these important nutrients. With NOW's great selection of natural enzyme and probiotic supplements you can optimize digestion and keep your GI tract running smoothly. Specialized enzymes for unique needs such as dairy intolerance? Check. Probiotics suitable for kids and adults alike? You betcha. A helping of NOW's digestive support products can help keep even the hardest-working digestive systems humming right along.*

NOW® offers more than 1,400 quality natural products that empower people to lead healthier lives.

**EGCg #4704**

- Green Tea Extract
- 200 mg EGCg/80% Catechins
- 400 mg
- Supports Cellular Health*

One capsule of NOW® Green Tea Extract with 200 mg EGCg possesses a phytonutrient content equal to about 2-3 cups of green tea. Green Tea Extract has numerous compounds, including Polyphenols and Catechins, that provide potent benefits. One Catechin in particular, EGCg, has demonstrated extraordinary free radical-quenching power in laboratory studies. In non-clinical studies, EGCg has also been shown to be protective against chemical and environmental assault on tissues and helps to support healthy cell cycle regulation.*

**Alpha Lipoic Acid 250 mg**

#3042

- Free Radical Scavenger*
- Vegetarian / Vegan

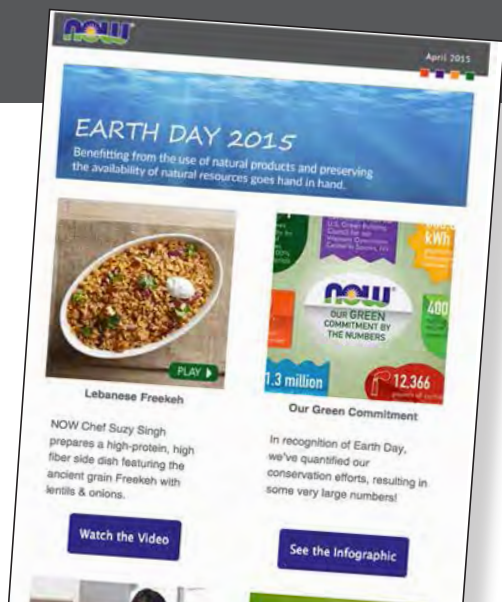

Alpha Lipoic Acid is a versatile water and fat soluble metabolic free radical scavenger. It aids other vitamins in their free radical-quenching activities.*

**Acai Liquid Concentrate**

#4804

Acai Berries, indigenous to Brazil, are one of the planet's most remarkable and nutritious fruits. They naturally have phytonutrients such as polyphenols, including ellagic acid, rutin, anthocyanins, and catechins. These free radical quenchers contribute to the protection of tissues from oxidative stress, a key element of healthy aging.* The nutrients and free radical scavengers in Acai also help support a healthy immune response and a proper defense against biological stress.* NOW uses only solvent-free, freeze-dried Acai Berries to better preserve the integrity of the nutrients present in fresh Acai.

**Pine Bark Extract**

#3364

- 95% OPC Pine Bark Extract
- Vegetarian/Vegan

**Lycopene #3062**

- With CardioAid®-S Plant Sterol Esters
- Plus Added Fish Oil

CardioAid®-S Plant Sterol Esters is a combination of the ester forms of Beta-Sitosterol, Campesterol and Stigmasterol. Plant Sterols are plant-derived compounds that are structurally similar to cholesterol so that they help to limit the absorption of cholesterol from the digestive tract.* In this way, CardioAid®-S can help to maintain cholesterol levels already within the normal range.*

Foods containing at least 0.65 grams per serving of plant sterol esters, eaten twice a day with meals for a daily total intake of at least 1.3 grams, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. A serving of NOW® Beta-Sitosterol Plant Sterols with Fish Oil supplies 1 gram (1,000 mg) of plant sterol esters in a base of fish oil.

Celery Seed Extract

#4626

- Healthy Vascular Function*
- Plus Horse Chestnut & Hawthorn Extracts
- Vegetarian/Vegan

NOW® Celery Seed Extract offers a wide array of bioactive compounds including natural phthalides such as 3-n-butylphthalide (3nB). 3nB is extensively researched for its ability to support vascular health, especially within the brain.* This product includes Horse Chestnut Seed Extract, which has been long known to support healthy vascular function.* Hawthorn Extract with its many phenolic constituents has also been included to complement this 100% vegetarian formula.*

**CoQ10 100 mg**

#3209

- Cardiovascular Health*
- Supports Healthy Heart Muscle*
- Promotes Cellular Energy*

Coenzyme Q10 is a vitamin-like compound also called ubiquinone. It is an essential component of cells and is necessary for mitochondrial energy production. Years of research have shown that CoQ10 supports healthy cardiovascular and immune system functions in addition to its vital role in energy production.*

**Ubiquinol 100 mg #3143**

- Cardiovascular Health*
- Active Form of CoQ10*
- Higher Bioavailability*
- 120 Gels

NOW® Ubiquinol contains the reduced form of CoQ10 (Coenzyme Q10), which has been shown in some scientific studies to be a highly bioavailable and active form of CoQ10. The addition of MCT Oil (medium chain triglycerides) to this product naturally improves its solubility, which further enhances intestinal absorption, and thereby provides superior overall biological value.*

Black Walnut Hulls 500 mg #4606

Black Walnut Hulls come from the immature fruit of the Black Walnut Tree (*Juglans nigra*). References to the use of Black Walnut Hulls date back to the Ancient Greeks and Romans, and they have been used by many cultures throughout history as an herbal tonic. The Black Walnut Tree is indigenous to the Middle East, but is currently grown in the U.S., Canada and Europe as well.

Kid Cal #1233

- Calcium Citrate, Magnesium & Vitamin D
- With Real Fruit Concentrate
- Vegetarian/Vegan

Liquid Magnesium

#1288

- With Trace Minerals
- 400 mg Magnesium per 3 Servings
- Ionic Trace Minerals

NOW® Liquid Magnesium with Trace Minerals is a natural mineral concentrate sourced from the Great Salt Lake and produced by using a proprietary solar evaporation process. This process also removes 99% of the naturally occurring sodium, while preserving its remaining 72 naturally occurring Trace Minerals in their bioavailable ionic forms. The presence of Magnesium and other trace minerals in the body is necessary for normal biochemical reactions, maintenance of healthy electrolyte balance, and healthy neuro-muscular function.*

Magnesium Bisglycinate Powder

#1299

Magnesium Bisglycinate utilizes Magnesium bound to the amino acid Glycine, which facilitates intestinal absorption. Magnesium is a mineral that activates an estimated 300 enzymes, including those that regulate functions critical for energy production and metabolism, muscle contraction, nerve impulse transmission, and bone mineralization.* In addition, Magnesium is required for fatty acid synthesis, protein synthesis, and glucose metabolism.* Magnesium status is also important for regulation of calcium balance through its effects on the parathyroid gland.*

- Vegetarian / Vegan

Sugar Free!

#0598

AlphaSorb-C™ 1000

#0726

- Threonic Acid & Alpha Lipoic Acid Enhanced
- Buffered, Bioavailable Vitamin C*
- Transport C-PLUS®
- Vegetarian/Vegan

Vitamin C is best known as an antioxidant that can protect the body's cells and molecules from damage by free radicals. NOW® AlphaSorb-C® includes Transport C-PLUS®, a trademarked combination of Threonic Acid-enhanced, buffered (non-acidic) Calcium Ascorbate with Alpha Lipoic Acid. Threonic Acid is a Vitamin C metabolite that has been shown to enhance cellular uptake of Vitamin C. Alpha Lipoic Acid functions as a free radical scavenger that can help regenerate Vitamin C in the body and may also enhance its utilization.* With this unique formula, NOW has created a well-absorbed and highly biologically available Vitamin C supplement.*

Acerola Powder

#0740

- 4:1 Concentrate Powder
- Natural Source of Vitamin C plus added Ascorbic Acid
- Vegetarian Product

C-1000 Sustained Release

#0680

- Sustained Release with Rose Hips
- Vegetarian / Vegan

Vitamin C is consumed in a supplemental form by millions of people across the world for its antioxidant properties, which are well-documented in medical research. C-1000 provides a potent dosage of this key vitamin and is blended with Rose Hips, a natural source of Vitamin C and a synergist.*

Vitamin C Crystals

- 1,000 mg Vitamin C
- Energy & Immune System Support with Additional Antioxidant Vitamins and Minerals*
- Delicious Taste
- Electrolytes with Transport C-PLUS®
- Antioxidant Vitamins + CoQ10
- Sugar Free
- Sweetened with BetterStevia® Zero Calorie Sweetener & Xylitol
- Vegetarian / Vegan

Seasonal changes and lifestyle challenges are all stressful to a healthy immune system. In order to maintain a healthy system all year round, try Effer-C™. This proprietary blend is packed with essential vitamins and minerals necessary to support optimal wellness.*

Effer-C™ from NOW® is a convenient effervescent Vitamin C supplement unlike any other, which was designed to gently, but quickly replenish the vital electrolytes needed to keep you running efficiently. Effer-C™ provides 1000 mg of Vitamin C, including Transport C-PLUS®, a buffered form combined with Alpha Lipoic Acid (known to help the body regenerate Vitamin C) for fast assimilation.

What's more, Effer-C™ supplies a full complement of B Vitamins and seven minerals to boost energy and restore vital electrolytes.* It also offers CoQ10 and Alpha Lipoic Acid for added metabolic support.* Effer-C™ is specifically formulated so you receive all the benefits of nature's antioxidant defense in one drink and conveniently packaged so you can take it with you wherever you go.*

Vitamin D-3 5000 IU #0372

NOW® Vitamin D softgels supply this key vitamin in a highly absorbable liquid softgel form. Vitamin D is normally obtained from the diet or produced by the skin from the ultraviolet energy of the sun. However, it is not abundant in food. As more people avoid sun exposure, Vitamin D supplementation becomes even more necessary to ensure that your body receives an adequate supply.

Kid Vits™

Chewable-Berry Blast #3882

The nutritional needs of a growing child are of considerable importance, especially during their early years. Essential nutrients such as vitamins, antioxidants, minerals and other important co-factors play crucial roles in the growth and development of skeletal structures, brain function, internal organs and many other areas of basic developmental health. Unfortunately, kids can be extremely fussy when it comes to eating, and as a result, many of these basic nutritional needs can get overlooked in the process.*

Have your cake and eat it too!

Now you can sweeten your favorite foods, recipes, and beverages without all of the calories found in sugar. NOW Real Food® Sugarless Sugar™ revolutionizes the way you bake by offering a one-to-one sugar replacement. Just use an equal amount of Sugarless Sugar™ as a replacement for regular sugar. With the natural sweetness of Sugarless Sugar™ the only thing you'll miss is the calories!

Try this delicious chocolate cake recipe created by Chef Suzy Singh, NOW's Corporate Chef. Not only is it sugar-free, but it's also gluten-free and allergy-friendly with our new Living Now® Gluten-Free All-Purpose Flour!

Guilt-Free Chocolate Cake

(10 Servings)

Ingredients:

- 2 cups Living Now® Gluten-Free All-Purpose Flour
- 1 cup NOW® Organic Cocoa Powder
- 1 ½ cups NOW Real Food® Sugarless Sugar™
- ½ teaspoon Sea Salt
- 1 teaspoon Baking Soda
- 1 cup Rice Milk
- 1 cup Hot Water
- 1 teaspoon NOW® Vanilla Extract
- ½ cup Ellyndale Organics™ Canola Oil

Directions:

- 1) Heat oven to 350°F (325°F convection). Grease and flour one 9-inch round baking pan.
- 2) In a large bowl combine flour, cocoa, sugar, sea salt, and baking soda and set aside.
- 3) In a separate bowl combine rice milk, hot water, vanilla extract, and canola oil.
- 4) Add the dry ingredients until batter is consistent.
- 5) Pour batter into prepared pan.
- 6) Bake for 45 to 50 minutes, or until inserted toothpick comes out clean.
- 7) Cool for 15 to 20 minutes and top with Berry Compote (visit nowfoods.com for the recipe).

**L-Carnitine Liquid**

#0066

- Purest Form, Clinically Tested
- 1000 mg
- Tropical Punch Flavor
- Vegetarian / Vegan

NOW® L-Carnitine Liquid provides all of the extensive benefits of Carnitine in a highly absorbable liquid form. L-Carnitine is a non-essential amino acid that helps to maintain overall good health by facilitating the transfer of fatty acid groups into the mitochondrial membrane for cellular energy production.* It naturally occurs in red meat and other animal-source foods, but we recommend supplementation to obtain optimal levels of this excellent amino acid. NOW® L-Carnitine is the purest form, clinically tested, and vegetarian.

**T-Lean® Extreme**
Supports Optimal Body Composition*
#1923

NOW® T-Lean® Extreme features GreenSelect® Phytosome, a standardized green tea extract complexed with phospholipids for enhanced bioavailability. GreenSelect® Phytosome has been clinically tested and shown to support healthy metabolic rate and weight management along with a well-balanced diet and exercise.* NOW® T-Lean® Extreme is also formulated with ForsLean®, another clinically tested ingredient shown to support the production of muscle tissue, while facilitating the breakdown of adipose tissue for use in energy production.* Natural Caffeine promotes energy expenditure and exercise endurance, supports enhanced neuromuscular coordination, and boosts mental alertness.*

NEW! Recovery Factors with IGF-1 #2215

NOW® Recovery Factors™ is a bioactive whey protein derived from bovine colostrum that has been microfiltered to achieve a higher protein content. The resultant concentrate includes lysozyme, immunoglobulins, lactoferrin, IGF-1, and other components that are known to support the healthy repair and growth functions of the immune and gastrointestinal systems.* This can be especially important for athletes, because intense exercise can temporarily stress the immune system and GI barrier integrity.*

MCT Oil #2199

Vitamin E Cream
28,000 IU

#8199

- Nourishes Skin
- Concentrated Natural Vitamin E
- Paraben Free

Condition: Dry, flaky skin on the body or face, also for those who would like to reduce the appearance of age spots and scars.**Solution:** Vitamin E 28,000 IU Cream is formulated with one of the highest concentrations of Natural Vitamin E. It is designed to replenish skin's natural moisture. To boost the effects of Natural Vitamin E, Wheat Germ Oil is added to aid in fighting off free radicals. Rhodiola Extract is also included for its "adaptogenic thermal stress protection" and aids in protecting the skin.Vitamin C + Sea
Buckthorn Lotion

#8002

- Nourishes and renews dry, dull skin
- Paraben Free and Gluten Free

- Contains Clinically Tested ALPAFLOR® GIGAWHITE to Help Whiten & Brighten Skin
- Paraben Free
- Skin Lightener

Condition: Skin in need of whitening and brightening due to age spots, pigment damage, and discoloration.

Solution: Dark Spot Serum restores skin's youthful glow with clinically tested ALPAFLOR® GIGAWHITE, an extract of alpine plants shown to significantly reduce age spot color intensity and even out skin tone over a 12-week time period. Licorice Extract, Vitamin C, and a multi-fruit extract aid in brightening and evening skin tone.

**Vitamin C & Sea Buckthorn Moisturizer #8000**

- Most Skin Types

Beauty Begins From Within

With NOW® Solutions New
Clinically Advanced Hair, Skin & Nails

Most beauty products are intended for topical application, but true beauty goes much deeper than the skin. Good nutrition plays a vital role in overall appearance and the health of hair, skin and nails. Help your customers maintain both health and beauty with NOW Solutions' Clinically Advanced Hair, Skin & Nails, a unique dietary supplement formulated to provide nutritional support for lustrous hair, strong nails, and radiant skin. This product contains clinically tested Cynatine® HNS, a patented form of solubilized Keratin that's highly bioavailable and shown to support healthy hair, skin and nails, as well as defend against the signs of aging associated with free radicals.* Beauty begins from within with NOW Solutions Clinically Advanced Hair, Skin & Nails.

Redefining natural beauty
